THE ORIGINAL STONEWASHED

The original stonewashed is a beanbag made of stone-washed fabric. The original stonewashed originates from the consumer trend of softer fabrics in furniture. It is a stonewashed fabric with the same strong characteristics as the original combined with a soft look and feel.

The combination makes up for a classic, vintage look. Combined with a natural color range, the stonewash is a piece of furniture or accessory for any livingroom. It has the same size and label as the basic original.
